

Fratello sole, Non-profit Social Company

Help the environment, help the people

To Tackle Fuel Poverty – Bonn, 13 november 2017

WHY

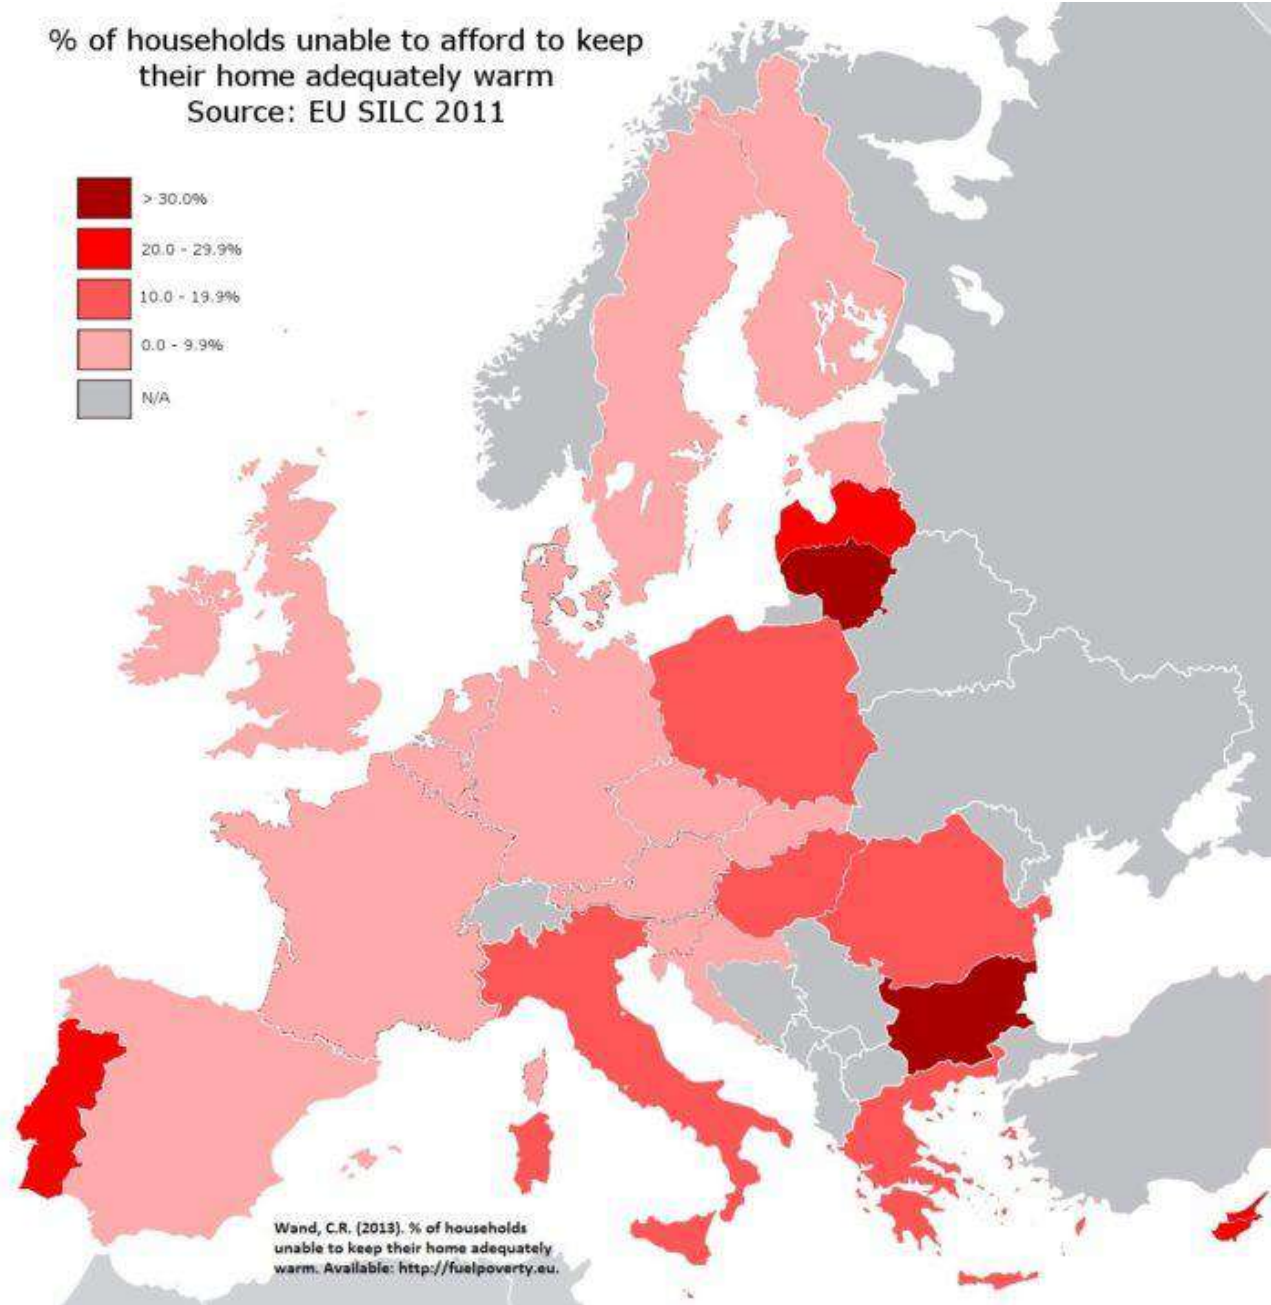

We were born to help **non-profit organizations** that help **poor people**.

Our actions reduce **energy consumption** and increase **comfort conditions** in the poor people's **"homes"**.

In this manner, we allow non-profit organizations to **spend less for energy consumption** and to **invest more resources for their daily activities** to support the poor people.

% of households unable to afford to keep their home adequately warm
